How to Enter

There is no purchase, deposit, quote request, appointment, review, social-media share, tag, follow or other commercial action required to enter.

- Complete the official J&G Homes campaign entry form on the J&G Homes website.
- Provide the required contact and eligibility information, including your name, email and/or phone number, city/province, age confirmation and your connection to J&G.
- Submit a genuine J&G-related story, memory or experience between 75 and 500 words.
- Your story should contain enough detail to reasonably demonstrate a genuine J&G connection. One-sentence, placeholder or otherwise insubstantial entries do not qualify.
- You may upload photographs if you have them. Photos are encouraged but optional and do not increase your chance of winning.
- Confirm that the story is yours, or that you have authority to share it, and that any uploaded photographs may legally be submitted.

What Counts as a Genuine J&G Connection?

A genuine J&G connection may include:

- a J&G homeowner or customer
- a family member with a genuine J&G-related memory
- a community member
- a former employee or retiree
- a trade or business partner
- another person with a genuine J&G-related story or memory

Eligibility and Exclusions

- Entrants must have reached the age of majority in Manitoba at the time of entry.
- **Entrants must be Manitoba residents.**
- **Current J&G directors, officers and employees are not eligible, including a current employee who is also a J&G homeowner.**
- Contest administrators and advertising/marketing personnel directly involved in the contest, plus certain immediate/household members, may also be excluded under the final Official Contest Rules.
- Anyone involved in selecting or verifying the winner will be ineligible to win.

Qualifying Entries & Winner Selection

Non-Qualifying Entries

J&G may, acting reasonably and in accordance with the final Official Contest Rules, reject entries that are:

- spam, duplicate or automated
- incomplete or insubstantial
- fabricated, irrelevant or fraudulent
- offensive or otherwise non-qualifying

If a submission appears questionable, J&G may request reasonable supporting information before confirming eligibility.

How the Winner Is Selected

- The story is the method of entry and must first meet the qualifying submission requirements. It is not a judged "best story" competition.
- After the contest closes, eligible entries will be reviewed for eligibility, duplicates and qualifying submission requirements.
- **The winner will be selected by a documented random draw from all eligible entries. Once an entry is eligible, the quality, emotional nature or length within the permitted range does not improve the odds of winning.**
- A selected entrant is only a potential winner until age, residency and other eligibility requirements are verified, any required mathematical skill-testing question is answered correctly, and the required declaration/release is signed.
- No winner will be announced publicly until verification is complete.

Every eligible entry has an equal chance to win.

Privacy, Photos & Permissions

Privacy and Consent

- **Personal information collected for contest entry will be used only as needed to administer the contest, verify eligibility, contact potential winners and fulfil the prize.**
- **Marketing consent is separate and optional. Declining marketing emails or texts does not affect eligibility or odds of winning.**
- **Permission to publish or reuse a submitted story or photo is separate from contest entry. Declining story/photo reuse permission does not disqualify an otherwise eligible entry.**
- **If J&G wishes to feature a submission publicly, appropriate permission and factual verification will be obtained before publishing names, photographs, addresses or information about other people.**

Photo and Content Requirements

- Only submit photographs you own or are authorized to provide.
- Photographs containing identifiable minors require appropriate parent/guardian authorization before public use.
- Do not submit private addresses, financial information, private documents or sensitive information about another person unless specifically requested and legally cleared.
- If separate permission is provided, J&G may crop or lightly edit a story/photo for length, spelling, format or brand presentation without materially changing its meaning.
